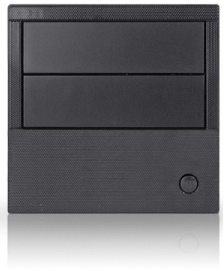
## S-2B-JB *2 Bay External Storage JBOD Tower*

Cooling Fan RoHS Compliant

### Features

- One 80mm Cooling Fan
- Compatible with PS/2 Switching Power Supply
- Heavy Duty SECC Construction
- Power Indicator
- Optional Color in Beige



### Introduction

iStarUSA external multi-bay JBOD tower series are designed specially for storage applications. The wide variety of the towers with iStarUSA's hard drive cages enable maximum hard drive capacity. One quiet 80mm ball-bearing cooling fan enhances the ventilation inside. The external JBOD storage cases with solid construction are a cost-effective and flexible solution for your critical data storage.

### Specifications

| | |
|---|---|
| **Form Factor** | Tower |
| **Cooling Fan [optional]** | 1x80mm |
| **Standard Drive Bays** | 5.25" Drive: 2 |
| **Color of Main Chassis** | Black |
| **Material** | SECC (Steel/ Electrogalvanized/ Cold-rolled/ Coil) |
| **Power Supply** | 300W (can be upgraded to 500W or 750W) |

## S-3B-JB *3 Bay External Storage JBOD Tower*

Cooling Fan RoHS Compliant

### Features

- One 80mm Cooling Fan
- Compatible with PS/2 Switching Power Supply
- Heavy Duty SECC Construction
- Power Indicator
- Optional Color in Beige
